Note

This document contains all academic papers, articles, blogs, tutorials that were referred to.

Append all references to the BibTeX file in the current directory. Also provide a brief description on each along with the citation.

See README.md for instructions and how-to.

Description

- Show and Tell[1] by Google Research forms the basis of our caption generator.

- Stanford's CS231n [2] on CNNs taught by Prof. Andrej Karpathy.
